

Helicopter Stories

The Helicopter Technique...

- Develops confidence, curiosity, concentration and communication skills in all children regardless of ability
- Increases turn taking, attention span, speaking and listening skills and awareness of written language
- Demonstrates spectacular and measurable gains in spoken narrative and language development skills even for pupils with SEN or EAL
- Provides practitioners with evidence of children's progress in language and communication

Helicopter Starter Training includes an introduction to Storytelling and Story Acting and the practical application, and is suitable for anyone engaged with working with children between the ages of 18 months-7 years old, including Early Years and Foundation Stage practitioners, speech and language specialists, SENCO's, Childminders, teaching assistants, playgroup staff and students.
