

Boosting Reading @Primary (BR@P)

(2 days training for a TA & teacher together)

Boosting Reading @Primary is recognised as an effective intervention by the European Centre for Reading Recovery at the Institute of Education, University of London, and is included in Every Child a Reader.

BR@P supports the acquisition of good reading skills and is specifically designed to improve the way pupils read, enabling them to be independent problem-solvers who read with understanding and enjoyment.

BR@S is a 10-week intervention programme delivered one-to-one, by a trained adult three times a week. Each session lasts 15 minutes and includes:

- Practicing independent reading skills on familiar texts
- Ongoing assessment
- Working on unfamiliar text with support, leading to independence and understanding

This training course is designed for Teachers and TAs and provides a good mix of teaching, discussion and activities to practice skills and develop understanding. The training and materials have been designed so that BR@P can be delivered confidently and easily by the trained adult. The programme also enhances their skills and confidence in supporting literacy effectively, in the classroom.

Ash Grove Academy, Belgrave Road, Macclesfield SK117TF

Day 1 Friday 26th June 2020, 9.30am—3.00pm.
